

NOTICE CONCERNING COVID-19

Cooley Shrair PC holds the health and safety of our clients, employees and families as its highest priority. In this time of uncertainty, we want all clients to know we remain open, ready and available to serve our client's needs. To the extent federal, state and local guidance has modified our way of doing business, please know we are working hard to adapt in order to assure our usual prompt and responsive service. Pursuant to Governor Baker's Order No 13, issued March 23, 2020, we are not seeing clients in our office until further notice. However, please know that:

We are open. All of our attorneys are working and available.

While in person meetings are not possible under the current environment, we are utilizing all possible technology to maintain the flow of business and connections to our clients. Although some restrictions are out of our control, we are making every effort to keep all work moving forward in a timely manner.

Cooley Shrair PC thanks you for your patience and wishes you and your family well in this difficult time.
